Confederate Memorial Circle was originally dedicated 137 years ago on 26 April 1878. It's time to celebrate, commemorate & re-dedicate Confederate Memorial Circle where we will re-dedicate the Nathan Bedford Forrest Monument by unveiling the REPLACEMENT bronze bust of Lt. General Nathan Bedford Forrest. We will re-dedicate the Confederate Soldiers' Memorial and also the new Battle of Selma Memorial. This will be a HUGE MONUMENTAL HISTORICAL event- the most paramount Confederate accomplishment throughout the South in recent times. We beat the enemy in their own territory, the Civil Rights hotpot of the world! We have won our case against the City of Selma. Selma Chapter 53, UDC has been awarded the deed to the one acre Memorial Circle plus the Pigeoneers House! Our Security & Beautification Enhancement of Confederate Memorial Circle project has been quite a test of patience, endurance, perseverance and faithful dedication of all our supporters. We are very GRATEFUL for ALL our supporters and contributors to our efforts to defend, protect and preserve our noble Southern history and heritage here in Selma. Even though we are having the dedication on May 23, this project is not quite finished. We still have LOTS to pay for and also erect 20 bronze historical interpretive markers throughout the Circle. These historical markers will cost approximately \$1500 each. We are also still selling the ancestor pavers; if you want your paver laid by dedication day please place your order NOW! However, we will continue to sell the pavers until we have all 4 quads filled with engraved pavers. Contact me at 334-875-1690 for order form & information. If you would like to contribute to this historical, monumental project, please makes check payable to and MARK FOR: CONFEDERATE MEMORIAL CIRCLE:
